Dominion Summary.

The Ontario elections were set to commence July 31st, and to finish by the middle of this month. In Quebec, to commence on the 1st instant, to be over by the 7th. In New Brunswick from the 5th to the 10th. The excitement of the canvas was most intense. We have already seen by telegraph that the Government candidates are nearly everywhere successful. Sir Francis Hincks would offer for South Brant; Mr. Currier and Mr. Lewis are returned for Ottawa without opposition. They are government supporters. The writs were being issued daily by threes and fours. Mr. A. N. Richards, who was in this Province last year, was nominated a candidate for the South Riding of Leeds. Hon. Mr. Pope, Minister of Agriculture is elected for his constituency by acclamation. Mr. Geo Kirkpatrick was re-elected by acclamation for the county of Frontenac. Mr. James S. Cartwright was proposed, but, thoroughly conscious that Grit principles were at a discount there, retired.

Large numbers of visitors from the States and Canada are flocking to Nova Scotia to enjoy the cool weather.

The immigration of the present season to Manitoba does not now promise to amount to anything near what was anticipated. Thus far something between one thousand and fifteen hundred would represent it numerically.

The Newfoundland papers contain details of the execution of Patrick Geehan for the murder of Garret Sears. Time and its developments have served to confirm the universal conviction of the righteousness of the verdict against the wretched man.

Lord Dufferin is reported to have purchased a yacht at Quebec, in which he is said to have sailed to Cacouna.

The grasshoppers continue their ravages in West Dumfries, Wilmot and Waterloo. The *Reformer* says they are destroying everything green in some quarters. The accounts generally represent an abundant harvest.

John Bolton, M. P., for Charlotte, N. B., has passed away. Deceased was liberal in politics, and an opponent of the present Government.

Halifax is quite elated at the news received by cable that Capt. Shand had made the highest individual score in the competition for the Rajah's Cup, won by the Dominion team at Wimbledon.

A preliminary meeting of the several Trades Unions of Ottawa, was held for the purpose of taking initiatory steps towards presenting Sir John A. Macdonald with a testimonial, as a mark of their appreciation of his legislation in their interests.

The Quebec *Mercury* states that work has been suspended on the North Shore Railway, in consequence of the contractors refusing to aid Mr. Cauchon, the President of the Company, in his election.

DIGBY, N. S., July 12—The great scull race came off this morning. The water was wonderfully calm, being really lovely. The spectators were few, the four thousand strangers present on Wednesday morning having nearly all left, only those interested remained. Brown, of Halifax, took the lead at the start, and at two miles he led fully ten lengths. From that he rowed more easily, Fulton gaining towards the end. At the close Brown was four lengths ahead. About five thousand dollars changed hands.

Mr. Monro, C. E., of the Public Works Department, has been appointed to take charge of the enlargement of the Welland Canal, and is now actively engaged in the location of the new line between Thorold and Port Dalhousie, so that the work may be put under contract as soon as possible.

FORT GARRY, July 19—Yesterday Riel fired a pistol at a man named Stalker, because the latter suggested to the ex-President that the people were now prepared for any emergency. The ball passed between Stalkers legs. The offence was committed on the highway about five miles from Winnipeg. Riel was in company with two other Frenchmen at the time.

Sir George Cartier has recovered from his indisposition, and would shortly return to Montreal, to conduct his election campaign.

Hon. Malcolm Cameron, in one of his recent speeches, made a statement to the effect that it was impossible to construct the Pacific Railroad in consequence of the engineering difficulties in the way, and that the Dominion Government were aware of the fact, but made a show of pushing forward the work, for the purpose of influencing the elections.

We understand from good authority, says the Ottawa *Citizen*, that the four members of the Cabinet from the Maritime Provinces will be returned to the House of Commons by acclamation.

QUEBEC, July 16—A dreadful case of killing has just occurred on the Lower Town Market. The Captain of a brig had just landed with his steward, a negro lad, when the latter was accosted by one James Dillon, who made overtures to the boy to leave the vessel. Captain Pelletier interfered, and as alleged was struck by the crimp. The Captain seized a butcher's axe, within reach, burying it in Dillon's body; the man lived long enough to receive the rites of his church. Capt. Pelletier gave himself up to the police and is now at the station house.

The Reported Tragedy at Bute Inlet.

VICTORIA, August 10, 1872.

EDITOR STANDARD,—In reading the local papers of to-day's issue, I find a very sensational article on Bute Inlet which somewhat surprised me, being, I think, a gross and uncalled for exaggeration about Mr. Gansby's being drowned by canoe upsetting; and other tragic occurrences such as a man being seen on the opposite shore frantically waving his arms, etc., still could not be heard distinctly or recognised, but was seen to run along the bank towards Waddington town ship some 30 miles distant; and the party watching the opposite bank that day and the next to see if possible any more running down, but saw none. Now, Mr. Editor, I think if facts only were printed, and all suppositions vetoed, the minds of a great many in this city and Canada would be much easier, taking into consideration that several families both here and there have husbands, fathers and friends who are dear to them. Could it be possible that a party of men who saw a canoe undertake to cross the river with three men, and for a moment lost to view, then seen, and as I would infer from the reading of the article, no person in it, then a man on the opposite bank waving his arms, etc.; that that man would not have walked either up or down they (they still watching him) until a narrow passage of the river were found, and hold communication with each other and learn facts. I for one think so; but no, we hear he runs, (I would like to see him try it), down the river to reach a distance of 30 miles, which would take him at least 4 days, and then would have to cross a river say 100 yards wide some how, he could not have had any provisions with him, and a man would be crazy and a fit subject for a lunatic asylum to undertake such a walk with a camp in sight. Its all a wild report, and I think, as I before remarked ought not to appear in print. K.

A. GILMORE, Merchant Tailor, has removed his place of business to the store adjoining the Colonial Hotel, Government street, four doors from Yates street, where he is prepared to sell, at reduced rates, Custom Made Clothing and Gents' Furnishing Goods. GENTLEMEN—We the undersigned, the Second Officer, and Second Steward of the Mail Steamer Prince Alfred, who unfortunately were attacked with the baneful disease of small pox, when that vessel was last at this port, take this our only method of publicly conveying our warmest thanks and acknowledgements to Dr. J. B. Matthews, the Health Officer, for his unremitting attention and kindness to us while afflicted, to his skill through God's mercy we consider ourselves indebted for our lives. We would also tender our warmest thanks to the Board of Health for the very excellent manner in which we were treated, both in the hospital and while in quarantine.
Signed JAMES C. HUNTER,

Supreme Court.

(Before Chief Justice Begbie.)

August 10th, 1872.

Judgement—Rodello vs. Robb—This is an unfortunate suit between Mr. Rodello as assignee of Mr. Alexander, and Mr. Robb of Comox, respecting the construction of a lease from the defendant to Alexander. The lease is for an acre of land with the privilege of purchase at $250 within three years. The plaintiff paid his money, but on the misrepresentation of W. R. Robb, he agreed to accept a piece of land, 60 by 120; this agreement must fall to the ground as the evidence of Millado is conclusive on the subject, that no land was ever marked out, and although the parties did not define the land intended to be leased, the Court holds that a sale of an acre of land passes the fee, and that it is optional with the purchaser where he takes his acre. In this case the Court will see that no injury is inflicted on the defendant. The decree therefore will be that the Plaintiff is entitled to one acre of land; that the agreement of March, 1871, be set aside having been obtained by misrepresentation.

That proper conveyances be executed by the parties.

Plaintiff a coste to the bearing to be paid by defendant.

Further consideration reserved with liberty to apply.

Mr. Drake appeared for plaintiff; Mr. Johnson for defendant.

Re A. J. Smith—Upon the application of the liquidators of the Q. C. Coal Co., the Court sanctioned a compromise, Mr. Smith paying $300 (a further amount)—and evidence having been adduced that the liquidators could get no more.

Mr. Drake appeared for the liquidators; Mr. Johnson for Mr. Smith.

THE GROUSE SEASON.—We hear that the grouse were found on Saturday, opening of the season, anything but as numerous as anticipated; it is said that vandals have been shooting them, not having the fear of the game law before their eyes. For the few that were brought to town on Saturday there was a rush of housewives. One party of two gentlemen, in two days and a half, bagged one,—saw plenty of feathers. Another we heard of, saw one bird; a third party, met with five.

FINANCIAL.—From the N. Y. *Tribune*, of July 17th, we clip the following: "The business in Northern Pacific seven-thirties is reported unusually large and active at all the agencies, and at the present rate of sales, the transactions this month, we learn will exceed those of any previous month since the introduction of the bonds." The N. Y. *World* of July 17th, says: "The sales of the North Pacific 7-30 gold bonds this month bid fair to reach considerably over $1,000,000."

FARMERS CLUB.—The Committee of the Farmers Club will encourage a race meeting on the day after the Provincial Exhibition, and will recommend the Society to give a purse for a race between horses bred in the Province. The City Pound, Buckley's Hall and adjacent lots, have been selected as the site to hold the Show. The printing of the prize list, etc., was awarded the STANDARD.

YALE-KOOTENAY DISTRICT.—A new candidate, Mr. A. L. Fortune, Spillamacheen, purposes offering himself as a candidate to represent the above district in the Ottawa House of Commons. Should the majority of the electors agree upon a better man, then he will not contend. Mr. Fortune is anxious to see the interests of his district attended to.

TOURISTS.—Several tourists arrived by the steamer yesterday. A Mr. Wood from the East one of the arrivals has a yacht coming around the Horn, to this coast. Mr. Talbot, Pope and Talbot, mill owners, Puget Sound, also came up yesterday. A considerable number of the California's passengers are for the Sound.

THE STEPHENSON CASE.—Mr. Cunningham, one of the receiving tellers of the London and San Francisco bank, of San Francisco, came up in the California yesterday, as prosecuting witness in the case of Thomas Stephenson, charged with obtaining money under false pretences.

THE GOODWOOD CUP.—London, August 1st The Goodwood cup was won by "Favoritus," "Albert Victor," being second, and "Verdure" third. Only five ran over the course, a distance of two miles and a half.

THE CANADIAN PREMIER RETURNED TO PARLIAMENT BY A LARGE MAJORITY.—Kingston, August 1st.—Sir John A. McDonald was elected to Parliament to-day, over John Carruthers by a majority of 131.

Our Weekly Summary of Mainland News.

LOWER COUNTRY.

The New Westminster Municipal Election was held on Wednesday last, and was attended with considerable interest and excitement. The following, from the *Guardian*, is the result of the poll: For No 1 Ward—E. Brown, H. Elliott. For No 2 Ward—J. A. Webster, J. Cunningham, J. Wise. For No. 3 Ward—W. J. Armstrong, C. G. Major. For No. 4 Ward—J. K. Suter, J. C. Armstrong. For No 5 Ward—W. Clarkson For No. 6 Ward—J. L. Franklyn. For No. 7 Ward—R. Dickinson. The election of a Chief and an Assistant Engineer of the Fire Department of the same city, was also held on Wednesday. The nominees of the Fire Department, Messrs. J. C. Armstrong and A. Peele, were elected, the names of J T. Scott and J Walsh having been withdrawn. The annual picnic of the Brigade will be held very soon, and a Committee is appointed to perfect the arrangements, and report at Thursday's special meeting. Harvesting is nearly over at Langley and the Lower Fraser.

CARIBOO AND UPPER COUNTRY.

By latest mail advices we learn that the Lane & Kurtz Cariboo Mining Company had in course of construction a large wooden pump eleven inches square, to be worked upon the principle of the Cornish pump This is perhaps much the largest pump ever constructed in British Columbia. They commenced on the 2d to pump the water from the shaft. The water was lowered about 30 feet in two hours. Cisterns would be immediately put in as soon as the water was lowered enough and the new pump set to work, when it was confidently expected no difficulty will be experienced in mastering the water. The *Sentinel* is severe upon what it styles the telegraph humbug of the Mainland, and is about to discontinue taking telegrams. A public meeting was held at Van Winkle on the 27th ult., to hear Mr. Thompson give an account of his stewardship whilst at Ottawa. At the conclusion of Mr. Thompson's speech, Mr. John L. Muir, in a few complimentary words, moved "That this meeting tender their thanks to Mr. Thompson for his past services as their representative, and desire to pass a vote of confidence in him should he again be elected as representative for the Cariboo-Lillooet District." Seconded by Mr. Robert Greig, and carried unanimously. A rather curious action in the County Court, before Mr. Ball, was tried on the 31st—Byrnes *vs.* Issrochner—to recover damages sustained in consequence of defendant keeping a mischievous dog, accustomed to bite at and frighten horses. The jury retired, after the evidence was heard, and proceeded to the canyon where the accident occurred, and returned to the Court house immediately afterwards and returned a verdict for the defendant. Briggs *v.* Sheldon.—Action for $200, money loaned. Haintiff proved the loan of the money and the non-payment. The defendant testified that an arrangement had been made by which she was to return and plaintiff to pay her expenses, and that in pursuance of such an arrangement he had given her the money. Judgment for plaintiff.

SODA CREEK.

SODA CREEK, July 30.—Thunder storms of unusual violence have occurred during the last few days. Thomas Cavanagh states that when riding home from the Soda Creek ranch on the 27th, a flash of lightning appeared to pass between him and the ears of the horse, followed immediately by a fearful detonation, but he received no injury. Mr. Phillip Hicks, formerly a baker in New Westminster and well known in Cariboo, was struck dead by lightning, while at work in a garden at Williams Lake, on the afternoon of the 27th inst. Messrs. Calbraith, Hawkes and Collins have commenced wheat harvest. A County Court will be held here on Monday, 12th August.

SUICIDE.—A man named Michael Fitzgerald, a coal passer on board the California, committed suicide by cutting his throat with a razor, when the vessel was just entering the Straits yesterday morning. The unfortunate man severed his wind pipe completely, but lived for about three hours after committing the act. He had been drinking hard in San Francisco previous to joining the vessel, and was supposed to be suffering from delirium tremens. Fitzgerald was a native of Australia, aged twenty-nine years. An inquest will be held to-day.

PRESENTATION.—This morning Mr. James Hunter, the second officer of the steamer Prince Alfred, will be presented with a handsome watch and chain by the residents of this city, in recognition of his meritorious conduct in connection with the little small-pox patient on board that vessel—he voluntarily carrying the child ashore when the disease was at its worst stage. The presentation will take place at the American Consulate Office. To the second steward, a fellow sufferer with Mr. Hunter, a purse containing $20 will be given.

MILITIA.—Letters for Adjutant General of Militia, Col. Robertson Ross, en route overland came by yesterday's mail. We find the following in an exchange dated Ottawa, July 12th; 'Inspection.—The Adjutant General will proceed to inspect in Military District No 10 (Manitoba) and Military District No. 11 (British Columbia). During his absence from Head Quarters on this duty, all Official Reports from Officers commanding in Military Districts will be made to the Deputy Adjutant General at Head Quarters.

ARRIVAL OF THE MAIL STEAMER.—The steamer California, Captain Hornsby, arrived at two o'clock yesterday afternoon, five days and twenty hours from San Francisco, with ninety-one passengers, three hundred and twenty-two tons of freight, and a large mail. Captain Hornsby reports the weather on the trip the worst that he has experienced on the coast; a succession of heavy North-West gales with terrific seas being encountered during the entire passage.

CAPTAIN HOUGHTON returned yesterday per California, two months from Ottawa, and has been travelling through Utah, Nevada, California, etc., on his way back. He has heard nothing respecting the position to which it was reported he was appointed—the Deputy Adjutant Generalship,—since leaving Canada Captain Houghton will not be a candidate for the Commons in the forthcoming contest.

FROM THE MAINLAND.—The steamer Enterprise arrived on Saturday afternoon from New Westminster with the mails, express and the following passengers: Rev Mr. Gribbel, Mrs. Gribbel, Mrs. Irving, the Misses Irving, Messrs. W. J. Armstrong, M P.P., E. Brown, W Fisher, J. Eickhoff, H. Dibin, Dickey, Woods, Wycott, Easton, J. McLaughton, W. Fisher, E Brown and Dr. Siddall.

THE SAANICH ROADS.—A gentleman who came to town last evening informs us that the statement of a "local print" that the country between here and Saanich is in a blaze, is incorrect. There is but one fire, and that is 3 miles beyond Steves'. The roads are unobstructed.

FROM NANAIMO.—The steamer Isabel arrived last evening from Nanaimo with 52 tons of coal for the North Pacific. The ships Prince of Wales and Aureola were discharging ballast, prior to taking in their cargoes of coal. The Otter left Nanaimo for Burrard Inlet on Saturday morning.

THE Wright left Portland on the 8th, and has passed up the Sound *en route* to Sitka.

MISSING.—Letters were received from San Francisco yesterday confirming a report that Mr. James Langley, formerly of this city, was still missing. He left home on the morning of the 3d, and hadn't since been heard of; there are fears of foul play. His friends in this city are very much distressed.

FOR THE EAST COAST.—The Maude left for Nanaimo and way ports on Saturday morning, with a large number of passengers, most of whom were for Nanaimo to attend the re-opening services of the Methodist Church.

THE FASTEST ON RECORD.—The H. B. Co.'s bark Lady Lampson, Capt. Gaudin, arrived at London on the 9th of July, making the passage from this port in the unprecedented time of 110 days.

FOR THE INLET.—The Rose M., which sailed for the Inlet from San Francisco on the 31st, has on board 200 sks. barley, 200 sks. flour, and 1 pkg. belting. Value $576.

THE PROVINCIAL LEGISLETURE.—Meeting of the Local Legislature of this Province is further prorogued, and stands called for the 11th of October.

THE PRINCE ALFRED.—It is expected that the repairs to this steamship will be completed in time to make the next trip, sailing on the 20th inst. for this port.

MESSRS. FINDLAY, DURHAM & BRODIE received a heavy shipment of goods from England by the California yesterday.

REGISTRAR GENERAL'S OFFICE.—Mr. H. S Mason is acting Registrar-General of titles during absence on leave of Mr. Aikman.

POINT ELLIS BRIDGE will be closed against traffic from this day week, for a period of fourteen days.

PASSED DOWN.—The ship Rocklight, bound for Callao, in tow of the Otter, passed down the Straits yesterday morning.

BANK B. COLUMBIA, Portland, is about to erect a branch building in that city, to cost $50,000.

THE Governor and party are expected back from the Skeena on Wednesday or Thursday next.

THE ship Pudsey Dawson, for England, still lies in Royal Roads, awaiting a fair wind.

FOR SAN FRANCISCO.—The California will sail for San Francisco to-morrow evening at 6 o'clock.

THE WRITS.—We understand the Writs of election arrived yesterday from Ottawa.

THE mail per California was distributed yesterday.

General Dispatches.

NEW YORK, Aug. 3—A *Herald* London dispatch has letters received by Stanley from the Viscount Enfield, Earl Granvill and a son of Livingstone. Enfield, in the name of Earl Granville, acknowledges the receipt of letters and documents from Livingstone, delivered by Stanley to Her Majesty's Ambassador at Paris for transmission to the Foreign Department. Granville says in his letter that he has no doubt of the genuineness of the letters purporting to come from Livingstone. Livingstone's son says he has no doubt that the papers and letters brought to him by Stanley are from his father.

The *Herald's* London despatch also says that Stanley was invited to dine with Lord Stanley, Lady Franklin, and other distinguished persons.

SOUTHAMPTON, Aug. 3—Rear Admiral Alden and many other officers of the American fleet were entertained yesterday at a garden party by the Mayor of Southampton, at the ruins of Nettle Abbey.

To the Electors of Victoria District, including Victoria City, Victoria District, Esquimalt and Metchosin.

GENTLEMEN:—In a short time you will be called upon to elect two members to represent you in the House of Commons, and as many electors have expressed to me a desire that I should offer myself as a candidate for that honorable position, I now solicit your suffrages assuring you that if elected, no effort on my part shall be spared to advance your interests at Ottawa or to assist in legislating for the advancement of the whole Dominion.

Politically I am in favor of giving a generous support to the present Canadian Administration, and should strongly advocate the national importance of the Railroad being terminated at Esquimalt. I shall urge the establishing of a Quarantine Hospital at once, the opening of Immigration Agency at Victoria, the building of a Lighthouse at the entrance to, and the Dredging of Victoria Harbor, I should endeavor if necessary to obtain an increased guarantee for the Dry Dock, and should point out the benefit and importance of completing the Railroad from the Pacific to Lake Superior, (at least) in the shortest possible time.

From present information upon the subject it appears there is little prospect of both Houses being in Session this year at the same time, but should it prove otherwise and should I be elected to the Commons, I should feel in honor bound, (although with great reluctance) to resign my present seat in the Local House and enable another representative to take my place.

I remain respectfully

Your obedient

Robert Beaven.

Victoria, 28th June, 1872. je29

To the Electors of Vancouver District.

GENTLEMEN:—Having been urgently solicited to become a candidate for the representation of Vancouver District in the House of Commons, and having received a very general assurance of support in the course of canvassing, I now announce myself a candidate.

Averse to long winded addresses and profuse promises before election, I prefer to be judged by the record of my past acts during the last two sessions of the Local Legislature.

Should you honor me with your confidence, I shall use my best endeavors to obtain the Railway Terminus on the Island, and all other questions which may arise, such as Immigration, Postal Service and the administration of Indian Affairs shall meet my most careful consideration. The liberal policy pursued towards British Columbia by the Dominion Government, in my opinion, entitles the present party in power to the hearty support of the representatives from the Pacific.

Should I be honored by your electing me, no personal consideration shall be allowed to interfere with my faithfully discharging my duty, and it will be my highest ambition to strictly guard your interest.

I shall seek an early opportunity of personally addressing you. Meanwhile I respectfully solicit your influence and votes.

I have the honor to be gentlemen

GEO. A. WALKEM,
Chief Commissioner of Lands & Works.

Lands & Works, Victoria, B. C.,
26th July, 1872. jy27

To the Electors of Vancouver Island District.

GENTLEMEN:—On leaving Ottawa it was my intention to withdraw from politics, but since my return home, I have been daily receiving from every quarter of the country the most urgent solicitations to again become a Candidate to represent your District in the Federal Parliament. After mature consideration I have acceded to the request of my friends, and have now the honor once more to solicit your suffrages at the coming election. In doing so I would state that it is not my intention to canvass the district, or wait personally on the Electors. My having recently spent considerable time in canvassing this extensive district, and business engagements this season renders my doing so impossible. As the electors are well acquainted with my political views on the leading questions of the day, as well as my public acts in Parliament last session,—if they under those circumstances think fit to return me again as their representative, I pledge myself to use my best endeavors to promote the local and general interests of the country. I shall also give the present Government the same hearty support that I did last session, for I am firmly convinced that by retaining in power the able Statesmen, who at present control and direct the affairs of this Dominion, we take the only sure means to advance the immediate and future progress and development of this Province. Everywhere in the Eastern portions of the Dominion, at present is to be witnessed the most marvelous progress, and prosperity, in every department of trade and industry. Agriculture, Commerce and manufactures were never before in such a flourishing a condition; all this in a great measure is the result of wise legislation, initiated and carried out by the present Government in whom I recognise the leader of the party of progress. And I hold it to be the duty of your representative to work with this Government in their endeavours to raise this Province to the like degree of vitality and prosperity.

The liability of the outlying settlements to frequent depredations by the Indians, calls for some measure of protection from the Government. I shall again urge upon the Ministry the necessity of employing an Armed Vessel for this purpose, believing that prevention is at all times better than cure. In conclusion I can only say that should I again have the honor to represent you in Parliament, whatever ability I may possess, will be devoted to the advancement and wellbeing of the whole country.

I have the honor to remain

Your obedient servant

ROBERT WALLACE.

DR. CHING FUN—A CARD—EDITOR STANDARD:—Through the medium of your paper I want to state the very great good that has been done me by Dr. Ching Fun of this city, next door Kwong Lee & Co. For 24 years I suffered with neuralgia on the brain, which baffled the skull of three first-class American physicians. Lattery bronchitis attacked my right lung, and my eye became fearfully inflamed. Despairing of ever being cured I proceed myself as a last resort in the hands of Dr. Ching Fun, and after five months treatment I am a well man and feel that I cannot sound the eminent Chinese gentleman's praises too loudly, so that all my countrymen similarly affected may visit and find relief. Respectfully

JOHN HENTON, of Kentucky, U. S.

C. FRANCIS BARNARD, M.D

SURGEON DENTIST.

DR. BARNARD HAS had for SEVERA months the "Perkins Hyatt" or "Celluloid Base," the newest and latest material adapted to the mounting of whole sets of teeth; he is also using "Whalebone Rubber," which is rapidly supplanting, for single dentures or partial sets, the best vulcanites of the last 25 years.

We cheerfully add Dr. B's Card to our columns, convinced that his good taste and judgment, united to natural skill and ingenuity, aided by an extensive practice of upwards of thirty years, render his services more valuable and reliable than those of any other dentist on the Sound, Coast or Island. For details see daily Colonist.
